

REWARD

SOLVENT AND NON-SILICONE DRESSING

PRODUCT CODE: 167

**NEW
V.O.C.
COMPLIANT**

DESCRIPTION AND PRODUCT BENEFITS:

REWARD is a VOC-compliant, solvent-based dressing that is safe for body shop use, thanks to its wax and silicone free formula. This versatile product is designed for application on rubber tires, vinyl roofs, and trim. REWARD effectively repels water from surfaces, delivering a long-lasting, clean, and glossy finish that enhances your vehicle's appearance.

DIRECTIONS OF USE AND APPLICATION:

1. Preclean the areas of application to ensure dust, dirt, and grime is removed. 2. Apply REWARD with a solvent resistant trigger sprayer or a dedicated soft cloth applicator. 3. Allow REWARD to dry or wipe down with a soft, clean lint-free rag. *Tips: Do not dilute the product, use as is.*

PRECAUTIONS:

Sling-off from freshly dressed tires may cause permanent staining of some plastic panels; DO NOT DRIVE THE VEHICLE UNTIL EXCESS HAS BEEN WIPED OFF, especially where the tire contacts the rim. Dressing alone will not cause staining. REWARD can make surfaces slippery. DO NOT APPLY TO SEATS, STEERING WHEEL, OR FOOT CONTROLS. Do not mix with other chemicals. Keep from freezing.

HEALTH & SAFETY INFORMATION:

For further information on the safe handling, storage and precautions for use of this product, consult the Safety Data Sheet. Keep out of reach of children.

DISCLAIMER:

As the actual conditions of use are out of our control no liability is accepted for any loss or damage caused directly or indirectly through the use of our products. Intending users should satisfy themselves, by carrying out appropriate tests, as to the suitability of this product for any particular purpose.

TYPICAL DATA:

APPEARANCE: Clear blue liquid.
SPECIFIC GRAVITY: ~ 0.80 g/ml
ODOUR: Honeydew melon.
SOLUBILITY: Insoluble.
% NON-VOLATILE: ~25
VISCOSITY: Non viscous.
FLASH POINT : 20.5°C

AVAILABLE SIZES:

A16714 - **CUBE** - 18.9 L / 5 US GAL
 BA167 - **WORKPLACE LABEL**
